AVA's Recommendation:

Based on available information, Robert Kuok, the richest man in Malaysia with a reported net worth of \$12.5 billion, is rumored to be the owner of the \$4.8 billion History Supreme yacht. This 100-foot vessel is reportedly covered in gold and platinum from bow to stern, took three years to build, and features extravagant elements including a master bedroom adorned with platinum, meteoric stone, and even a genuine T-Rex dinosaur bone. However, it's worth noting that some sources question whether this yacht actually exists, describing the owner as 'elusive' and the yacht itself as subject to rumors rather than confirmed facts.
